

ASX ANNOUNCEMENT

December 2016 Quarterly Activities Report

Rumble Resources Ltd (ASX: RTR) ("Rumble" or "the Company") is pleased to provide an update of the Company's activities during the December 2016 quarter.

Ongoing Review of Resource Opportunities

The addition to the board of Brett Keillor has enhanced the Company strategy to proactively identify and review potential acquisition opportunities to complement the Company's existing projects and activities.

During the quarter Mr Keillor facilitated introductions to a number of advanced resources projects. The Company is now at advanced stages of due diligence and negotiations in relation to those projects that met the Company's stringent criteria.

The Company will keep the market updated should any of these discussions result in an agreement being reached.

Rumble Current Portfolio

The Company continues to review its project portfolio which encompassed project prioritisation and consideration of expenditure commitments with a view to rationalise costs. There was no on-ground exploration activity during the quarter.

Corporate

Appointment of Brett Keillor as Technical Director

Mr Brett Keillor is a geologist with over 30 years' experience in the mining industry working across a diverse range of commodities with expertise in targeting large gold deposits and identifying company making projects. He worked and reviewed exploration and development projects across the globe with Resolute and was recently Chief Geologist (gold) for the Independence Group (ASX: IGO). He was part of technical team for the start-up of IGO in 2002 until 2015. He was involved from the original grass-roots survey until the first year of gold production of the Marymia gold deposit (1987 to 1994), completed the original soil sampling and prospecting programme that outlined the Plutonic gold deposit in 1987, initiated exploration with Indee that led to the discovery of seven gold deposits in the Mallina Shear Zone and completed the original targeting that led to the discovery of the Tropicana gold deposit for Independence Group. Brett is twice recipient of the Prospector Of The Year, for the Marymia discovery in 1998 and again in 2012 for the Tropicana discovery.

Resignation of Non-Executive Director

Mr Andrew McBain and Non - Executive Director, gave notice during the quarter of his resignation from the Company in order to accommodate Brett Keillor's appointment and further to allow him to focus on his other business interests. Mr McBain's resignation was effective 24 November 2016.

R&D Refund

Rumble had \$942,000 in cash as at the end of the quarter and expects to receive \$131,044 in R&D refund during the March 2017 quarter.

Shane Sikora
Managing Director

Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
2. If this quarterly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, AASB 6: Exploration for and Evaluation of Mineral Resources and AASB 107: Statement of Cash Flows apply to this report. If this quarterly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
